

## Raspberry Pi useful Phone Apps

Pi Manager

<https://play.google.com/store/apps/details?id=com.cordeiro.pimanager&hl=en-GB>

bVNC: Secure VNC Viewer

<https://play.google.com/store/apps/details?id=com.iiordanov.freebVNC&rdid=com.iiordanov.freebVNC>

Fing - Network Tools

<https://play.google.com/store/apps/details?id=com.overlook.android.fing&rdid=com.overlook.android.fing>

Wifi Analyzer

<https://play.google.com/store/apps/details?id=com.farproc.wifi.analyzer&hl=en-GB>

Thanks to Jim (NF3L) for telling me about the above apps.  
Will update if more come along
